Thompson, a private in Company (E) 5th Kentucky Regiment Kentucky Volunteers, now residing in this County under treatment by me, and who, on the 3rd July 1862, obtained a furlough, at Louisville, dated the 28th July 1862, and that I have carefully examined him, and find him incapable of the duties of a soldier, for the following reasons, viz: 3 weeks before Christmas while at Lebanon in camp, he was seized with Diarrhoea, about a week thereafter he was attacked by Measles, returned to Camp too soon, the Diarrhoea still on him & about the middle of February returned home, rendered by that disease was attacked with Typhoid fever, his lungs being very seriously implicated, the Diarrhoea had ceased. The left Parotid inflamed & suppurated, abscesses formed on different parts. He gradually became convalescent, the Diarrhoea still continuing & still continuing & getting worse

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special care* must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge: and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feined or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment, commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstance be given into the hands of the soldier.

NOTES.

1. Three copies of this List will be made out on the last day of every month, by the Commanding Officer of each Regiment, or other independent organization, both of Regulars and Volunteers; one copy to be retained, one to be sent to the Provost Marshal General, at Washington, D. C., direct, and one to be sent through the usual military channel to the Adjutant General, U. S. A.

2. The amount of any extra pay for which the soldier may be mustered, *viz. gr.* as *Acting Hospital Steward, as Saddler, &c.*, and which may be *still due* him, must be carefully noted.

3. In the column headed "BOUNTY PAID," must be entered the whole amount *hitherto paid* him; in that of "BOUNTY DUE," the whole amount *yet due* him.

4. Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage done to each, specified.

5. When stoppages are due under sentence of court martial, a transcript of the same must be entered here, and the amount already stopped, must be carefully stated.

6. A careful statement of the man's Clothing Account must be made to date, and the amount due to or from him must be precisely stated.

7. This blank will be used for both Regulars and Volunteers. For Regulars the column "Mustered in" will be left blank, and the caption changed to suit the case. Should more room be required for remarks, a sheet of paper may be pasted on the end of the blank.

8. Should the men have been engaged in any action or skirmish, it must be mentioned, together with *date* and *place*.

9. *A full and particular account* must be made of any *wounds* he may have received in action, or *other injury*, whilst in the *line of his duty*.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special* care must be taken to state the *degree* of disability—as ½, ⅓, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment, commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

OATH OF ALLEGIANCE.

I, James R. Watts do solemnly swear (or affirm) that I have never voluntarily borne arms against the United States since I have been a citizen thereof; that I have voluntarily given no aid, countenance, counsel, or encouragement to persons engaged in armed hostility thereto; that I have neither sought nor accepted nor attempted to exercise the functions of any office whatever under any authority or pretended authority in hostility to the United States; that I have not yielded a voluntary support to any pretended government, authority, power, or constitution within the United States, hostile or inimical thereto. And I do further swear (or affirm) that, to the best of my knowledge and ability, I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office on which I am about to enter, so help me God.

I Certify that I was the original Colonel of the 10th Kentucky Volunteer Infantry which was mustered into the service of the United States November 20. 1861. While the regiment was encamped from Mill Springs to Louisville to join Gen Buell at Nashville, Count about Feby 26. 1862 the aforesaid John R Watts enlisted in Co. A. of said regiment, Commanded by Captain, afterwards Maj A. G. Dawson, he was enrolled and mustered therein by Capt. Dawson. Such is my recollection. At the time Watts enlisted and was enrolled, the law of the War Dept. then King the power of Volunteer officers to muster recruits, had not been received by me, nor was its existence known to me until the latter part of the Year 1862, or the first of 1863 when my regiment was paid off by Maj Fullerton Paymaster U.S.A.. From the time Watts was enrolled & mustered by Capt Dawson, he

duo duty as a Soldier in Company A, and was paid
by the Paymasters Juening to Bullettins on the
Hand emollument and muster by David Lowe
The reason doubtless I was not advised
of the order of the War Dept referred to may
probably because the part of the army
to which I was attached was generally
in the more Idaho would have been in
actual Service three years or about the
28 Feby 1865 - I cannot remember the pre-
cise time when Bulletin paid my regt, but it
was shortly before - I retired from the army

time I Commanded a Brigade, I was the

I respectfully represent that I, John R. Watts Pri. Co. F. 10th Ky Vol Infy. was enlisted by Capt N. G. Davidson of said Co. and Regt. on the 26th of Feb. 1862, whilst the Regt. was on the march near Sandstown Ky. and was mustered by Capt. Davidson and served faithfully with my Co. from that date, in the meantime was paid by Maj. Cook, at Corinth Miss. I was also paid at Camp Chase Ohio for the months including May and August 1862 as being mustered by Capt Davidson, but, about one year subsequent to my enlistment and muster, Maj. Fullerton U.S.D.M. pronounced it illegal and I had to be mustered over, from that time I was paid as being mustered by Lt. Smith 1st U.S. Art. Feb 26th 1863

The above being a true Statement of my case, I respectfully request that I be mustered out, 3 Years from the date of my first muster, as that will be on the 26th of February 1865, three years of faithful service I have performed. It will be nothing

From the within enclosed papers, you will see that J. R. Watts, Private 10th Ky. Vol. Inf'y was on the 13th of April 1864 Commissioned by the Governor of Ky, as 2nd Lieut. of Co E. 37th Ky. Mtd. Vol. Inf'y: and has made application to be discharged as Private and to be mustered as Lieutenant, but the Company being below the minimum, by the Orders of the War Dept. he cannot be mustered. Capt. Watts recruited about one hundred and ten Men, and was only permitted to muster into his Company the minimum Number of Men, the rest being taken to fill up other Companies. He has lost nine

Men by death. John D. Watts
is Competent, and would make a
fine Officer, and his services are very
much needed in his Company and
Regiment, and I would be very much
obliged and esteem it a personal
favor if you would assist him,
trying to get around the Order and
be mustered.
I have known cases, where persons
have been mustered, under such
Circumstances, since the passage of
the Order, I think this perculiarly
strong claims, for a relaxing of the
rule. If Course if it is improper
to ask the favor, I withdraw

Sir.

I Respectfully ask leave of
Absence to go out of the Department for the term of Twenty (20) days, basing my application
upon the following reasons, Viz.

In entering the Service, I sacrificed a lucrative
business, leaving everything in an unsettled condition, which I have vainly attempted
to remedy by the uncertain channel as furnished to the Army in the Field by the U.S.
Mail. as my interest amounts to several hundred Dollars, I feel it my duty to
make such provision, as will facilitate the final close of it in case of accident
to me, thereby securing to my Wife and Children a portion of what has cost me many
a hard hours work.

My Address will be Louisville Ky.

Hoping the above may receive your approval
I remain Sir very respectfully
Your Ob Serv

FINAL STATEMENT

OF

Corporal Caleb Welch

10th Reg't of Kentucky Infantry

VOLUNTEERS.

Died July 9. 1864.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for the, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (OR RECRUIT,) the words as a veteran, (or recruit,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit Bounty* RECEIVED by the Soldier must be made on the back of each final statement.

Gen.

I would respectfully ask leave of absence for twenty days to go beyond the limits of the department for the following reasons — Before entering the army, I had become Guardian for the infant children of a deceased brother whose estate is in Western Missouri all of which county has been overrun by the armies of the enemy and under State — The estate amounts to about nine thousand dollars, and as I am informed, needs my personal attention to save it, which my duty to myself my Securities and my wards demand that I should. I hope therefore that my request will be granted I have never been absent from my command, save twenty days when sick in the Summer of 1862 —

I have the honor to be

FINAL STATEMENT

OF

Pvt William Whitfield Reed

Co. B 10th Regt of Ky Foot Infy

VOLUNTEERS.

Killed Sept 1. 1864.

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for thes. &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran, (or recruit,)* as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of *Veteran* or *Recruit Bounty* RECEIVED by the Soldier must be made on the back of each final statement.

FINAL STATEMENT

OF

10th Reg't of Kentucky Inf'y
F

VOLUNTEERS.

Date Oct 13/63

NOTE 1.—*Two* of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutler and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a *drafted* man or *substitute*, the space for time, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words *as a veteran*, (or recruit,) as the case may be, should be interlined after the words mustered into the *service of the U. S.* A statement of all the installments of *Veteran* or *Recruit Bounty* RECEIVED by the Soldier must be made on the back of each final statement.

NOTE 1.

The company commander will here add a statement of all the *facts* known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the *facts* are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a *probable* case for *pension*, *special* care must be taken to state the *degree* of disability—as ¼, ½, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability; are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feined or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in *duplicate* by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment, commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances be given into the hands of the soldier. COMPARED
